SECTION 3

COMMON ELEMENTS AND LIMITED COMMON ELEMENTS

3.1 Common Elements. The Common Elements and their characteristics are as follows:

- a. All of the Property not included within the Units constitutes Common Elements. The Common Elements include those parts of the Property described in Exhibit B or designated as Common Elements on the Plat or in the Act. The Common Elements are owned by the Association for the benefit of the Owners and Occupants.
- b. The Common Elements shall be subject to certain easements as described in Section 2, and to the rights of Owners and Occupants in Limited Common Elements appurtenant to their Units.
- c. Subject to Sections 5, 6 and 9, all maintenance, repair, replacement, management and operation of the Common Elements shall be the responsibility of the Association.
- d. Common Expenses for the maintenance, repair, replacement, management and operation of the Common Elements shall be assessed and collected from the Owners in accordance with Section 6.

3.2 Limited Common Elements. The Limited Common Elements are those parts of the Common Elements reserved for the exclusive use of the Owners and Occupants of the Units to which they are allocated, and the rights to the use and enjoyment thereof are automatically conveyed with the conveyance of such Units. The Limited Common Elements are described and allocated to the Units as follows:

- a. Chutes, flues, ducts, pipes, wires, conduit or other utility installations, bearing walls, bearing columns, or any other

components or fixtures lying partially within and partially outside the boundaries of a Unit, and serving only that Unit, are allocated to the Unit they serve. Any portion of such installations serving or affecting the function of more than one Unit or any portion of the Common Elements is a part of the Common Elements, but is not a Limited Common Element.

- b. Improvements such as decks, patios, balconies, shutters, awnings, window boxes, doorsteps, stoops, perimeter doors and windows, constructed as part of the original construction to serve a single Unit, and authorized replacements and modifications thereof, if located outside the Unit's boundaries, are Limited Common Elements allocated exclusively to that Unit.

SECTION 4

ASSOCIATION MEMBERSHIP: RIGHTS AND OBLIGATIONS

Membership in the Association, and the allocation to each Unit of a portion of the votes in the Association and a portion of the Common Expenses of the Association shall be governed by the following provisions:

4.1 Membership: Each Owner shall be a member of the Association by virtue of Unit ownership, and the membership shall be transferred with the conveyance of the Owner's interest in the Unit. An Owner's membership shall terminate when the Owner's ownership terminates. When more than one Person is an Owner of a Unit, all such Persons shall be members of the Association, but multiple ownership of a Unit shall not increase the voting rights allocated to such Unit nor authorize the division of the voting rights.

4.2 Voting and Common Expenses: Voting rights and Common Expense obligations are allocated equally among the Units, except that special allocations of Common Expenses shall be permitted as provided in Section 6.1.

4.3 Appurtenant Rights and Obligations: The ownership of a Unit shall include the voting rights and Common Expense obligations described in Section 4.2. Said rights, obligations and interests, and the title to the Units, shall not be separated or conveyed separately. The allocation of the rights, obligations and interests described in this Section may not be changed, except in accordance with the Governing Documents and the Act.

4.4 Authority to Vote. The Owner, or some natural person designated to act as proxy on behalf of the Owner, and who need not be an Owner, may cast the vote allocated to such Unit at meetings of the Association; provided, that if there are multiple Owners of a Unit, only the Owner or other Person designated pursuant to the provisions of the By-Laws may cast such vote. The voting rights of Owners are more fully described in Section 3 of the By-Laws.

SECTION 5

ADMINISTRATION

The administration and operation of the Association and the Property, including but not limited to the acts required of the Association, shall be governed by the following provisions:

5.1 General. The operation and administration of the Association and the Property shall be governed by the Governing Documents, the Rules and Regulations, and the Act. The Association shall, subject to the rights of the Owners set forth in the Governing Documents and the Act, be responsible for the operation, management and control of the Property. The Association shall have all powers described in the Governing Documents, the Act and the statute under which it is incorporated. All powers and authority of the Association shall be vested in the Board, unless action or approval by the individual Owners is specifically required by the Governing Documents or the Act. All references to the Association shall mean the Association acting through the Board unless specifically stated to the contrary.

5.2 Operational Purposes. The Association shall operate and manage the Property for the purpose of (i) administering and enforcing the covenants, restrictions, easements, charges and liens set forth in the Governing Documents and Rules and Regulations (ii) maintaining, preserving the value and architectural uniformity and character of the Property.

5.3 Binding Effect of Actions. All agreements and determinations made by the Association in accordance with the powers and voting rights established by the Governing Documents or the Act shall be binding upon all Owners and Occupants, and their lessees, guests, heirs, personal representatives, successors and assigns, and all secured parties as defined in the Act.

5.4 By-Laws. The Association shall have By-Laws. The By-Laws and any amendments thereto shall govern the operation and administration of the Association.

5.5 Management. The Board may delegate to a manager or managing agent the management duties imposed upon the Association's officers and directors by the Governing Documents and the Act; provided, however, that such delegation shall not relieve the officers and directors of the ultimate responsibility for the performance of their duties as prescribed by the Governing Documents and by law.

5.6 Rules and Regulations. The Board shall have exclusive authority to approve and implement such reasonable Rules and Regulations as it deems necessary from time to time for the purpose of operating and administering the affairs of the Association and regulating the use of the Property; provided that the Rules and Regulations shall not be inconsistent with the Governing Documents or the Act. The inclusion in other parts of the Governing Documents of authority to approve Rules and Regulations shall be deemed to be in furtherance, and not limitation, of the authority granted by this Section. New or amended Rules and Regulations shall be effective only after reasonable notice thereof has been given to the Owners.

5.7 Association Assets: Surplus Funds. All funds and real or personal property acquired by the Association shall be held and used for the benefit of the Owners for the purposes stated in the Governing Documents. Surplus funds remaining after payment of or provision for Common Expenses and reserves shall be credited against future assessments or added to reserves, as determined by the Board.

SECTION 6

ASSESSMENTS FOR COMMON EXPENSES

6.1 General. Assessments for Common Expenses shall be determined and assessed against the Units by the Board, in its discretion; subject to the limitations set forth in Sections 6.2 and 6.3 and the requirements of the By-Laws.

Assessments for Common Expenses shall include annual assessments and may include special assessments. Assessments shall be allocated among the Units according to the Common Expense allocations set forth in Section 4.2, subject to the following qualifications:

- a. Any Common Expense associated with the maintenance, repair, or replacement of a Limited Common Element undertaken by the Association may be assessed exclusively against the Unit or Units to which that Limited Common Element is assigned, on the basis of (i) equality, (ii) square footage of the area being maintained, repaired or replaced, or (iii) the actual cost incurred with respect to each Unit.
- b. Any Common Expense or portion thereof benefiting fewer than all of the Units may be assessed exclusively against the Units benefited, on the basis of (i) equality, (ii) square footage of the area being maintained, repaired or replaced, or (iii) the actual cost incurred with respect to each Unit.
- c. The costs of insurance may be assessed in proportion to value, risk or coverage, and the costs of utilities may be assessed in proportion to usage.
- d. Reasonable attorneys fees and other costs of incurred by the Association in connection with (i) the collection of assessments and (ii) the enforcement of the Governing Documents, the Act, or the Rules and Regulations, against an Owner or Occupant or their guests, may be assessed against the Owner's Unit.
- e. Fees, charges, late charges, fines and interest may be assessed as provided in Section 14.
- f. Assessments levied under Section 515B.3-116 of the Act to pay a judgment against the Association may be levied only against the Units existing at the time the judgment was entered, in proportion to their Common Expense liabilities.
- g. If any damage to the Common Elements or another Unit is caused by the act or omission of any Owner or Occupant, or their guest, the Association may assess the cost of repairing the damage exclusively against the Owner's Unit to the extent not covered by insurance.
- h. If any installment of an assessment becomes more than 30 days past due, then the Association may, upon 10 days notice to the

Owner, declare the entire amount of the assessment immediately due and payable in full.

- i. If Common Expense liabilities are reallocated for any purpose authorized by the Act, Common Expense assessments and any installments thereof not yet due shall be recalculated in accordance with the reallocated Common Expense liabilities.
- j. Assessments under Subsections 6.1a-h shall not be considered special assessments as described in Section 6.3.

6.2 Annual Assessments. Annual assessments shall be established and levied by the Board, subject only to the limitations set forth in Section 6.2 and 6.3. Each annual assessment shall cover all of the anticipated Common Expenses of the Association for that year. Annual assessments shall provide, among other things, for contributions to a separate reserve fund sufficient to cover the periodic cost of maintenance, repair and replacement of the Common Elements and those part of the Units for which the Association is responsible.

- a. Until a Common Expense assessment is levied, Declarant shall pay all accrued expenses of the common interest community.
- b. After a Common Expense assessment is levied, the annual assessment may be subsequently increased by the Board, subject to Section 6.2.c.
- c. Until the termination of the period of Declarant control described in Section 15.7, the increase in the annual assessment for any year shall not exceed the greater of (i) the increase in the U.S. Department of Labor Revised Consumer Price Index for Urban Wage Earners and Clerical Workers for All Items for the prior year; or (ii) 5% of the total annual assessment for the Association's previous fiscal year, unless such increase is approved by the vote of a majority of those Owners voting, in person or by proxy, or a meeting called for that purpose. Written notice of the meeting shall be sent to all Owners not less than 21 days nor more than 30 days in advance of the meeting.

6.3 Special Assessments. In additions to annual assessments, and subject to the limitations set forth hereafter, the Board may levy in any assessment year a special assessment against all Units for the purpose of defraying in whole or in part (i) the cost of any foreseen or unbudgeted Common Expense, (ii) general or specific reserves for maintenance, repair or replacement, and (iii) the maintenance, repair or replacement of any part of the Property, and any fixtures or other property related thereto. Notwithstanding the foregoing, any special assessment shall be subject to approval by the vote of a majority of those Owners voting, in person or by proxy, at a meeting called for that purpose. Written notice of the meeting shall be sent to all Owners not less than 21 days nor more than 30 days in advance of the meeting.

6.4 Working Capital Fund. Declarant shall establish a working capital fund to meet unforeseen expenditures or to purchase additional equipment or services during the period when Declarant is conducting its sales activities. There shall be contributed on a one-time basis

for each Unit sold by Declarant an amount equal to two (2) months installments of the estimated Common Expense assessment for the Unit being conveyed. The contribution to the working capital fund may be paid either at the time of closing of sale of the Unit or when control of the Association is transferred to the Owners upon termination of the period of Declarant control. The amounts paid into this fund are in addition to the regular monthly installments of assessments. The funds shall be deposited into the Association's account, and Declarant may not use the funds to defray any of its expenses, reserve contributions, or construction costs, or to make up any budget deficit while Declarant is in control of the Association. However, upon closing of an unsold Unit, Declarant may reimburse itself from funds collected at the closing for funds which it contributed to the working capital fund with respect to that Unit.

6.5 Liability of Owners for Assessments. The obligation of an Owner to assessments shall commence at the later of (i) the time at which the Owner acquires title to the Unit, or (ii) the due date of the first assessment levied by the Board, subject to the alternative assessment program described in Section 6.6. The Owner at the time at assessment is payable with respect to the Unit shall be personally liable for the share of the Common Expenses assessed against such Unit. The liability is absolute and unconditional. No Owner is exempt from liability for payment of his or her share of Common Expenses by right of set-off, by waiver of use or enjoyment of any part of the Property, by absence from or abandonment of the Unit, by directors or agents, or for their failure to fulfill any duties under the Governing Documents or the Act. The Association may invoke the charges, sanctions and remedies set forth in Section 14, in addition to any remedies provided elsewhere in the Governing Documents, the Rules and Regulations, or by law, for the purpose of enforcing its rights hereunder.

6.6 Declarants Alternative Assessment Program. The following alternative assessment program is established pursuant to Section 515B.3-115(a)(2) of the Act. Notwithstanding anything to the contrary in this Section 6, if a Common Expense assessment has been levied, any Unit owned by Declarant for initial sale shall be assessed at the rate of 25% of the assessment levied on other Units of the same type until a certificate of occupancy has been issued with respect to the Declarant's Unit by the municipality in which the Unit is located. This reduced assessment shall apply to each Unit owned by Declarant at the time that the unit is created, and shall continue with respect to the Unit until the certificate of occupancy is issued for that Unit. There are no assurances that this alternative assessment program will have no effect on the level of services for items set forth in the Association's budget.

6.7 Assessment Lien. The Association has a lien on a Unit for any assessment levied against that Unit from the time the assessment becomes due. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due. Fees, charges, late charges, fines and interest charges imposed by the Association pursuant to Section 515B3-102(a)(10), (11) and (12) of the Act are liens, and are enforceable as assessments under this Section. Recording of the Declaration

constitutes record notice and perfection of any lien under this Section, and no further recordation of any notice of or claim for the lien is required.

6.8 Foreclosure of Lien; Remedies. A lien for Common Expenses may be foreclosed against a Unit under the laws of the State of Minnesota (i) by action, or (ii) by advertisement as a lien under a mortgage containing a power of sale. The Association, or its authorized representative, shall have the power to bid in at the foreclosure sale and to acquire, hold lease, mortgage and convey any Unit so acquired. The Owner and any other Person claiming an interest in the Unit, by the acceptance or assertion of any interest in the Unit, grants to the Association a power of sale and full authority to accomplish the foreclosure. The Association shall, in addition, have the right to pursue any other remedy at law or in equity against the Owner who fails to pay any assessment or charge against the Unit.

6.9 Lien Priority; Foreclosure. A lien under the Section is prior to all other liens and encumbrances on a Unit except (i) liens and encumbrances recorded before the Declaration, (ii) any first mortgage on the Unit, and (iii) liens for real estate taxes and other governmental assessments or charges against the Unit. Notwithstanding the foregoing, if (i) a first mortgage on a Unit is foreclosed, (ii) the first mortgage was recorded on or after May 15, 1995 and (iii) no Owner redeems during the Owner's period of redemption provided by Chapters 580, 581 or 582, then the holder of the sheriff's certificate of sale from the foreclosure of the first mortgage shall take title to the Unit subject to unpaid assessments for Common Expenses levied pursuant to Sections 515B.3-115(a), (h)(1) to (3), (i), and (l) of the Act which became due, without acceleration, during the six months immediately preceding the first day following the end of the Owner's period of redemption.

6.10 Voluntary Conveyance; Statement of Assessments. In a voluntary conveyance of a Unit the buyer shall not be personally liable for any unpaid assessments and other charges made by the Association against the seller of the seller's Unit prior to the time of conveyance to the buyer, unless expressly assumed by the buyer. However, the lien of such assessments shall remain against the Unit until satisfied. Any seller or buyer shall be entitled to a statement, in recordable form, from the Association setting forth the amount of the unpaid assessments against the Unit, including all assessments payable in the Association's current fiscal year, which statement shall be binding on the Association, seller and buyer.

SECTION 7

RESTRICTIONS ON USE OF PROPERTY

All Owners and Occupants, and all secured parties, by their acceptance or assertion of an interest in the Property, or by their occupancy of a Unit, covenant and agree that, in addition to any other restrictions which may be imposed by the Act or the Governing Documents, the occupancy, use, operation, alienation and conveyance of

the Property shall be subject to the following restrictions:

7.1 General. The Property shall be owned, conveyed, encumbered, leased, used and occupied subject to the Governing Documents and the Act, as amended from time to time. All covenants, restrictions and obligations set forth in the Governing Documents are in furtherance of a plan for the Property, and shall run with the Property and be a burden and benefits to all Owners and Occupants and to any other Person acquiring or owning an interest in the Property, their heirs, personal representatives, successors and assigns.

7.2 Subdivision Prohibited. Except as permitted by the Act, no Unit nor any part of the Common Elements may be subdivided or partitioned without the prior written approval of all Owners and all secured parties holding first mortgages on the Units.

7.3 Residential Use. The Units shall be used by Owners and Occupants and their guests exclusively as private, single family residential dwellings, and not for transient, hotel, commercial, business or other non-residential purposes, except as provided in Section 7.4. Any lease of a Unit (except for occupancy by guests with the consent of the Owner) for a period of less than 7 days, or any occupancy which includes any services customarily furnished to hotel guests, shall be presumed to be for transient purposes.

7.4 Business Use Restricted. No business, trade, occupation or profession of any kind, whether carried on for profit or otherwise, shall be conducted, maintained or permitted in any Unit or the Common Elements; except (i) an Owner or Occupant residing in a Unit may keep and maintain his or her business or professional records in such Unit and handle matters relating to such business by telephone or correspondence therefrom, provided that such uses are incidental to the residential use, do not involve physical alteration of the Unit and do not involve any observable business activity such as signs, advertising displays, bulk mailings, deliveries, or visitation or use of the Unit by customers or employees and (ii) the Association may maintain offices on the Property for management and related purposes.

7.5 Leasing. Leasing of Units shall be allowed, subject to reasonable regulation by the Association, and subject to the following conditions: (i) that no Unit shall be leased for transient or hotel purposes, (ii) that no Unit may be subleased, (iii) that all leases shall be in writing, and (iv) that all leases shall provide that they are subordinate and subject to the provisions of the Governing Documents, the Rules and Regulations and the Act, and (v) that any failure of the lessee to comply with the terms of such documents shall be a default under the lease. The Association may impose such reasonable Rules and Regulations as may be necessary to implement procedures for the leasing of Units, consistent with this Section.

7.6 Parking. Garages and parking areas on the Property shall be used only for parking of vehicles owned or leased by Owners and Occupants and their guests, and such other incidental uses as may be authorized in writing by the Association. The use of garages and the driveway areas on the Property, and the types of vehicles and personal

property permitted thereon, shall be subject to regulation by the Association, including without limitation the right of the Association to tow illegally parked vehicles or to remove unauthorized personal property.

7.7 Animals. No animal may be bred, and kept or maintained for business or commercial purposes, anywhere on the Property. However, the Board shall have the exclusive authority to prohibit, or to allow and regulate, by Rules and Regulations, the keeping of animals on the Property. The word "animal" shall be construed in its broadest sense and shall include all living creatures except humans.

7.8 Quiet Enjoyment; Interference Prohibited. All Owners and Occupants and their guests shall have a right of quiet enjoyment in their respective Units, and shall use the Property in such a manner as will not cause a nuisance, nor unduly restrict, interfere with or impede the use of the Property by other Owners and Occupants and their guests.

7.9 Compliance with Law. No use shall be made of the Property which would violate any then existing municipal codes or ordinance, or state or federal laws, nor shall any act or use be permitted which could cause waste to the Property, cause a material increase in insurance rate on the Property, or otherwise cause any unusual liability, health or safety risk, or expense, for the Association or any other Owner or Occupant.

7.10 Alterations. Except for those made by Declarant in consideration of its initial sale of a Unit, no alterations, changes, improvements, repairs or replacements of any type, temporary or permanent, structural, aesthetic or otherwise (collectively referred to as "alterations") shall be made, or caused or allowed to be made, by any part of the Unit which affects the Common Elements or another Unit or which is visible from the exterior of the Unit, without the prior written authorization of the Board, or a committee appointed by it, as provided in Section 8. The Board, or the appointed committee if so authorized by the Board, shall have authority to establish reasonable criteria and requirements for alterations, and shall be the sole judge of whether the criteria are satisfied.

7.11 Time Shares Prohibited. The time share form of ownership, or any comparable form of lease, occupancy rights or ownership which has the effect of dividing the ownership or occupancy of a Unit into separate time periods, is prohibited.

7.12 Access to Units. In case of emergency, all Units and Limited Common Elements are subject to entry, without notice and at any time, by an officer or member of the Board of the Association, by the Association's management agents or by any public safety personnel. Entry is also authorized for maintenance purposes under Section 9 and for enforcement purposes under Section 14.

SECTION 8

ARCHITECTURAL CONTROL

8.1 Restrictions on Alterations. The following restrictions and requirements shall apply to alterations on the Property:

- a. Except as expressly provided in this Section 8, and except for alterations made by Declarant in consideration of its initial sale of a Unit, no structure, building, addition, deck, patio, fence, wall, enclosure, window, exterior door, sign, display, decoration, color change, shrubbery, material topographical or landscaping change, nor any other exterior improvements to or alteration of any Dwelling or any other part of a Unit which is visible from the exterior of the Unit (collectively referred to as "alterations"), shall be commenced, erected or maintained in a Unit unless and until the plans or specifications showing the nature, kind, shape, height, color, materials, and locations of the alteration shall have been approved in writing by the Board of Directors or a committee appointed by it. Notwithstanding the foregoing, Declarant's written consent shall also be required for alterations until Declarant no longer owns any unsold Unit and has no further rights to add Additional Real Estate to the Property.
- b. The criteria for approval shall include and require, at a minimum, (i) substantial uniformity of color, size, location, type and design in relation to existing improvements and topography, (ii) comparable or better quality of materials as used in existing improvements, (iii) ease of maintenance and repair, (iv) adequate protection of the Property, the Association, Owners and Occupants from liability and liens arising out of the proposed alterations, and (v) compliance with governmental laws, codes and regulations.
- c. Approval of alterations which encroach upon another Unit or the Common Elements shall create an appurtenant easement for such encroachment in favor of the Unit with respect to which the alterations are approved; provided, that any easement for a deck or patio other than as originally constructed shall be approved by resolution of the Board of Directors and a file of such resolutions shall be maintained permanently as a part of the Association's records.
- d. Alterations described in Section 16 shall be governed by that Section.

8.2 Review Procedures. The following procedures shall govern requests for alterations under this Section:

- a. Detailed plans, specifications and related information regarding any proposed alteration, in form and content acceptable to the Board of Directors, shall be submitted to the Board of Directors at least sixty (60) days prior to the projected commencement of construction. No alterations shall be commenced prior to approval.
- b. The Board of Directors shall give the Owner written notice of approval or disapproval. If the Board of Directors fails to approve or disapprove within sixty (60) days after receipt of said plans and specifications and all other information requested by the Board of Directors, then approval will not be required, and this Section shall

be deemed to have been fully compiled with so long as the alterations are done in accordance with the plans, specifications and related information which were submitted.

c. If no request for approval is submitted, approval is denied, unless (i) the alterations are reasonably visible and (ii) no written notice of the violation has been given to the Owner in whose Unit the alterations are made shall have the burden of proof, by clear and convincing evidence, that the alterations were completed and reasonably visible for at least six months following completion and that the notice was not given.

8.3 Remedies for Violations. The Association may undertake any measures, legal or administrative, to enforce compliance with this Section and shall be entitled to recover from the Owner causing or permitting the violation all attorneys' fees and costs shall be a lien against the Owner's to enter the Owner's Unit and to restore any part of the Dwelling or Unit to its prior condition if any alterations were made in violation of this Section, and the cost of such restoration shall be a personal obligation of the Owner and a lien against the Owner's Unit.

SECTION 9

MAINTENANCE

9.1 Maintenance by Association. The Association shall provide for all maintenance, repair or replacement (collectively referred to as "maintenance") of the Common Elements. In addition, for the purpose of preserving the architectural character, quality, and uniform and high standards for appearance of the Property, the Association shall (i) provide for exterior maintenance upon the Dwelling in each Unit that is subject to assessment as follows: paint and replace roofs, gutters, downspouts, decks, garage doors (except hardware), and exterior siding and other building surfaces, and (ii) provide for lawn, shrub and tree maintenance on all Units, except for watering. The Association's obligations shall exclude patios, entry doors, door hardware, air conditioning equipment, glass and window frames, foundations and foundation wall, structural members and any other items not specifically referred to in this Section, unless otherwise approved under Section 9.2. The Association shall have easements as described in Section 13 to perform its obligations under this Section 9.

9.2 Optional Maintenance by Association. In addition to the maintenance described in this Section the Association may, with the approval of a majority of votes cast in person or by proxy at a meeting called for such purposes, undertake to provide additional exterior maintenance to the Units or Dwellings, or maintenance of water and sewer systems within the Units.

9.3 Maintenance by Owner. Except for the exterior maintenance required to be provided by the Association under Section 9.1 or 9.2, all maintenance of the Dwellings and Units shall be the sole responsibility and expense of the Owners thereof. However, the Owners and Occupants shall have a duty to promptly notify the Association of

defects in or damage to those parts of the Property which the Association is obligated to maintain. The Association may require that any exterior maintenance to be performed by the Owner be accomplished pursuant to specific uniform criteria established by the Association. The Association may also undertake any exterior maintenance which the responsible Owner fails to or improperly performs and assess the Unit and the Owner for the cost thereof.

9.4 Damage Caused by Owner. Notwithstanding any provision to the contrary in this Section, if, in the judgment of the Association, the need for maintenance of any part of the Property is caused by the willful or negligent act or omission of an Owner or Occupant, or their guests, or by a condition in a Unit which the Owner or Occupant has willfully or negligently allowed to exist, the Association may cause such damage or condition to be repaired or corrected (and enter upon any Unit to do so), and the cost thereof may be assessed against the Unit of the Owner responsible for the damage. In the case of party walls between Dwellings, the Owners of the affected Dwellings shall be liable as provided in Section 10.

SECTION 10

PARTY WALLS

10.1 General Rules of Law to Apply. Each Dwelling wall built as part of the original construction of the Dwelling and located on the boundary line between Units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligent or willful acts or omissions shall apply thereto.

10.2 Repair and Maintenance. The Owners of the Units which share the party wall shall be responsible for the maintenance repair and replacement of party wall in proportion with their use; provided (i) that any maintenance, repair or replacement necessary due to the acts or omissions of a certain Owner or Occupant sharing such party wall shall be paid for by such Owner, and (ii) that the Association may contract for and supervise the repair of damage caused by an Owner or Occupant and assess the Owners for their respective shares of the cost to the extent not covered by insurance.

10.3 Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has use of the wall may, with the consent of the Association, restore it, and the other Owner shall promptly reimburse the Owner who restored the wall for his or her share of the cost of restoration thereof; provided, however, that the cost of restoration resulting from destruction or other casualty resulting from the acts or omissions of certain Owners shall be the financial responsibility of such Owners, and the Association may assess the responsible Owners for their share of the costs, without prejudice to the right of an Owner to recover a larger contribution from the other Owner. Insurance claims shall be made promptly following any casualty.

10.4 Weatherproofing. Notwithstanding any other provision of this Section, any Owner who, by his neglect or willful act, causes a party wall to be exposed to the elements shall bear the whole cost of the repairs necessary for protection against such elements.

10.5 Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the Unit and shall pass to such Owner's assigns and successors in title.

10.6 Arbitration. In the event of any dispute arising concerning a party wall, and if the same is not resolved within thirty (30) days of the event causing the dispute, the matter shall be submitted to binding arbitration under the rules of the American Arbitration Association, upon the written demand of the Association or any Owner whose Dwelling shares the party wall. The parties to the arbitration shall equally share the fees of such arbitration unless otherwise ordered by the arbitrator.

SECTION 11

INSURANCE

11.1 Required Coverage. The Association shall obtain and maintain, at a minimum, a master policy or policies of insurance in accordance with the insurance requirements set forth in the Act and the additional requirements set forth herein, insured by a reputable insurance company or companies authorized to do business in the State of Minnesota, as follows;

- a. Property insurance in broad form covering all risks of physical loss in an amount equal to one hundred percent (100%) of the insurable "replacement cost" of the Property, less deductibles, exclusive of land, footings, excavation and other items normally excluded from coverage (but including all building service equipment and machinery). The policy or policies shall cover personal property owned by the Association. The policy or policies shall also contain "Inflation Guard" and "Agreed Amount" endorsements, if reasonably available. Such policy or policies shall include such additional endorsements, coverage and limits with respect to the foregoing and other hazards as may be required from time to time by the regulations of the FHA or Federal National Mortgage Association ("FNMA") as a precondition to their insuring, purchasing or financing a mortgage on a Unit. The Board may also, on behalf of the Association, enter into binding written agreements with a mortgagee, insurer or servicer, including without limitations the FHA or FNMA, obligating the Association to keep certain specified coverage or endorsements in effect.
- b. Comprehensive public liability insurance covering the use, operation and maintenance of the Common Elements, with the minimum limits of \$1,000,000 per occurrence, against claims for death, bodily injury and property damage, and such other risks as are customarily covered by such policies for projects similar in construction, location and use to the Property. The

policy shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner or Occupant because of negligent acts of the Association or other Owners or Occupants. The policy shall include such additional endorsements, coverage and limits with respect to such hazards as may be required by the regulations of the FHA or FNMA as a precondition to their insuring, purchasing or financing a mortgage on a Unit.

- c. Fidelity bond or insurance coverage against dishonest acts on the part of directors, officers, manager, trustees, employees or persons responsible for handling funds belonging to or administered by the Association if deemed to be advisable by the Board or required by the regulations of the FHA or FNMA as a precondition to the purchase or financing of a mortgage on a Unit. The fidelity bond or insurance shall name the Association as the named insured and shall, if required by the regulations of the FHA or FNMA as a precondition to their insuring purchasing or financing of a mortgage on a Unit, be written in an amount equal to the greater of (i) the estimated maximum of Association funds including reserves, in the custody of the Association or management agent at any given time while the bond is in force, or (ii) a sum equal to three months aggregate assessments on all Units plus reserves. An appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers, or a waiver of defense based upon the exclusion of persons serving without compensation shall be added.
- d. Workers' Compensation insurance as required by law.
- e. Directors and officers liability insurance with such reasonable limits and coverage as the Board shall determine from time to time.
- f. Such other insurance as the Board may determine from time to time to be in the best interests of the Association and the Owners.

11.2 Premiums; Improvements; Deductibles. All insurance premiums shall be assessed and paid as a Common Expense. The insurance need not cover improvements and betterments to the Units installed by Owners, but if improvements and betterments are covered, any increased cost may be assessed against the Units affected. The Association may, in the case of a claim for damage to a Unit, (i) pay the deductible amount as a Common Expense, (ii) assess the deductible amount against the Units affected in any reasonable manner, or (iii) require the Owners of the Units affected to pay the deductible amount directly.

11.3 Loss Payee; Insurance Trustee. All insurance coverage maintained by the Association shall be written in the name of, and the proceeds thereof shall be payable to, the Association (or a qualified insurance trustee selected by it) as trustee for the benefit of the Owners and secured parties, including Eligible Mortgagees, which suffer loss. The Association, or any insurance trustee selected by it, shall have exclusive authority to negotiate, settle and collect upon any claims or losses under any insurance policy maintained by the Association.

11.4 Waivers of Subrogation. All policies of insurance shall contain waivers of subrogation by the insurer against the Association, or an Owner, members of the Owner's household, officers or directors, as applicable, and, if available, waivers of any defense based on co-insurance or of invalidity from any acts of the insured.

11.5 Cancellation: Notice of Loss. All policies of property insurance and comprehensive liability insurance maintained by the Association shall provide that the policies shall not be canceled or substantially modified, for any reason, without at least 30 days prior written notice to the Association, to the FHA or FNMA (if applicable), all of the insured and all Eligible Mortgagees.

11.6 Restoration of Lieu of Cash Settlement. All policies of property insurance maintained by the Association shall provide that, despite any provisions giving the insurer the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable (i) without the prior written approval of the Association (or any Insurance Trustee) or (ii) when in conflict with provisions of any insurance trust agreement to which the Association may be a party, or any requirement of law.

11.7 No Contribution. All policies of insurance maintained by the Association shall be the primary insurance where there is other insurance in the name of the Owner covering the same property, and may not be brought into contribution with any insurance purchased by Owners or their Eligible Mortgagees.

11.8 Effect of Acts Not Within Association's Control. All policies of insurance maintained by the Association shall provide that the coverage shall not be voided by or conditioned upon (i) any act or omission of an Owner or Eligible Mortgagee, unless acting within the scope of authority on behalf of the Association, or (ii) any failure of the Association to comply with any warranty or condition regarding any portion of the Property over which the Association has no control.

11.9 Owner's Personal Insurance. Each Owner may obtain additional personal insurance coverage at his or her own expense covering fire and other casualty to the Unit, personal property or personal liability. All insurance policies maintained by Owners shall provide that they are without contribution as against the insurance purchased by the Association.

SECTION 12

RECONSTRUCTION, CONDEMNATION AND EMINENT DOMAIN

12.1 Reconstruction. The obligations and procedures for the repair, reconstruction or disposition of the Property following damage or destruction thereof shall be governed by the Act. Any repair or reconstruction shall be substantially in accordance with the plans and specifications of the Property as initially constructed and subsequently improved. The Association shall have all authority

necessary to cause the Property to be reconstructed, including, without limitation the authority (i) to require the Owners to enter into reconstruction contracts on their respective Units, or (ii) to contract for the reconstruction of the Units on behalf of the Owners. Notice of substantial damage or destruction shall be given pursuant to Section 18.10.

12.2 Condemnation and Eminent Domain. In the event of a taking of any part of the Property by condemnation or eminent domain, the provisions of the Act shall govern; provided, that notice shall be given pursuant to Section 18.10. Eligible Mortgagees shall be entitled to priority for condemnation awards in accordance with the priorities established by the Act and the Governing Documents, as their interests may appear.

12.3 Notice. All Eligible Mortgagees shall be entitled to receive notice of any condemnation proceedings or substantial destruction of the Property, and the Association shall give written notice thereof to a Eligible Mortgagee pursuant to Section 18.10.

SECTION 13

EASEMENTS

13.1. Easement for Encroachments. Each Unit and the Common Elements, and the rights of the Owners and Occupants therein, shall be subject to an exclusive easement for encroachments in favor of the adjoining Units for fireplaces, walls, roof overhangs, air conditioning systems, decks, balconies, porches, patios, utility installations and other appurtenances (i) which are part of the original construction of the adjoining Unit or the Property or (ii) which are added pursuant to Section 8. If there is an encroachment by a Dwelling, or other building or improvement located in a Unit, upon another Unit or Dwelling as a result of the construction, reconstruction, repair, shifting, settlement or movement of any part of the Property, an appurtenant easement for the encroachment, for the use, enjoyment and habitation of any encroaching Dwelling, building or improvement, and for the maintenance thereof, shall exist; provided that with respect to improvements or alterations added pursuant to Section 8, no easement shall exist unless the same have been approved, and the proposed improvements constructed, as required by this Declaration. Such easements shall continue for as long as the encroachment exists and shall not affect the marketability of title.

13.2 Easement for Maintenance, Repair, Replacement and Reconstruction. Each Unit, and the rights of the Owners and Occupants thereof, shall be subject to the rights of the Association to an exclusive, appurtenant easement on and over the Units for the purposes of maintenance, repair, replacement and reconstruction of the Units, and utilities serving the Units, to the extent necessary to fulfill the Association's obligations under the Governing Documents.

13.3 Utilities Easements. The Property shall be subject to non-exclusive, appurtenant easements for all utilities, water and sewer, and similar services, which exist from time to time, as constructed or

referred to in the Plat, or as otherwise described in this Declaration or any other duly recorded instrument. Each Unit, and the rights of the Owners and Occupants thereof, shall be subject to a non-exclusive easement in favor of the other Units for all such services, including without limitation any sewer or water lines servicing other Units. Each Unit shall also be subject to an exclusive easement in favor of the Association and all utilities companies providing service to the Units for the installation and maintenance of utilities metering devices.

13.4 Continuation and Scope of Easements. Notwithstanding anything in this Declaration to the contrary, in no event shall an Owner or Occupant be denied reasonable access to his or her Unit or the right to utility services thereto. The easements set forth in this Section shall supplement and not limit any easements described elsewhere in this Declaration or recorded, and shall include reasonable access to the easement areas through the Units and the Common Elements for purposes of maintenance, repair, replacement and reconstruction.

SECTION 14

COMPLIANCE AND REMEDIES

Each Owner and Occupant, and any other Person owning or acquiring any interest in the Property, shall be governed by and comply with the provisions of the Act, the Governing Documents, the Rules and Regulations, the decisions of the Association, and such amendments thereto as may be made from time to time. A failure to comply shall entitle the Association to the relief set forth in this Section, in addition to the rights and remedies authorized elsewhere by the Governing Documents and the Act.

14.1 Entitlement to Relief. The Association may commence legal action to recover sums due, for damages, for injunctive relief or to foreclose a lien owned by it, or any combination thereof, or an action for any other relief authorized by the Governing Documents or available at law or equity. Legal relief may be sought by the Association against any Owner, or by an Owner against the Association or other Owner, to enforce compliance with the Governing Documents, the Rules and Regulations, the Act or decisions of the Association. However, no Owner may withhold any assessments payable to the Association, or take (or omit) other action in violation of the Governing Documents, the Rules and Regulations or the Act, as a measure to enforce such Owner's position, or for any other reason.

14.2 Sanctions and Remedies. In addition to any other remedies or sanctions, expressed or implied, administrative or legal, the Association shall have the right, but not the obligation, to implement any one or more of the following actions against Owners and Occupants and/or their guests, who violate the provisions of the Governing Documents, the Rules and Regulations or the Act:

- a. Commence legal action for damages or equitable relief in any court of competent jurisdiction.
- b. Impose late charges of up to the greater of \$20, or 15% of the amount due, for each past due assessment or installment thereof, and interest at up to the highest rate permitted by

law.

- c. In the event of default of more than 30 days in the payment of any assessment or installment thereof, all remaining installments of assessments assessed against the Unit owned by the defaulting Owner may be accelerated and shall then be payable in full if all delinquent assessments, together with all costs of collection and late charges, are not paid in full prior to the effective date of the acceleration. Reasonable advance written notice of the effective date of the acceleration shall be given to the defaulting Owner.
- d. Impose reasonable fines, penalties or charges for each violation of the Act, the Governing Documents or the Rules and Regulations of the Association.
- e. Suspend the rights of any Owner or Occupant and their guests to use any Common Elements amenities; provided, that this limitation shall not apply to Limited Common Elements or deck, balcony, porch or patio easements, appurtenant to the Unit, and those portions of the Common Elements providing periods of default by such Owners and Occupants in their obligations under the Governing Documents, and for up to 30 days thereafter, for each violation.
- f. Restore any portions of the Common Elements or Limited Common Elements damaged or altered, or allowed to be damaged or altered, by any Owner or Occupant or their guests in violation of the Governing Documents, and to assess the cost of such restoration against the responsible Owners and their Units.
- g. Enter any Unit or Limited Common Element in which, or as to which, a violation or breach of the Governing Documents exists which materially affects, or is likely to materially affect in the near future, the health or safety of the other Owners or Occupants, or their guests, or the safety or soundness of any Dwelling or other part of the Property or the property of the Owners or Occupants, and to summarily abate and remove, at the expense of the offending Owner or Occupant, any structure, thing or condition in the Unit or Limited Common Elements which is causing the violation; provided, that any improvements which are a part of a Unit may be altered or demolished only pursuant to a court order or with the agreement of the Owner.
- h. Foreclose any lien arising under the provisions of the Governing Documents or under law, in the manner provided for the foreclosure of mortgages by action or under a power of sale in the state where the Property is located.

14.3 Rights to Hearing. In the case of imposition of any of the remedies authorized by Section 14.2.d., e., f. or g. of this Section, the Board shall, upon written request of the offender, grant to the offender a fair and equitable hearing as contemplated by the Act. The offender shall be given notice of the nature of the violation and the right to a hearing, and at least 10 days within which to request a hearing. The hearing shall be scheduled by the Board and held within thirty days of receipt of the hearing request by the Board, and with at least 10 days prior written notice to the offender. If the offending Owner fails to appear at the hearing then the right to a hearing shall be waived and the Board may take such action as it deems appropriate. The decision of the Board and the rules for the conduct of hearings

established by the Board shall be final and binding on all parties. The Board's decision shall be delivered in writing to the offender within ten days following the hearing, if not delivered to the offender at the hearing.

14.4 Lien for Charges, Penalties, Etc. Any assessments, charges, fines, penalties or interest imposed under this Section shall be a lien against the Unit of the Owner or Occupant against whom the same are imposed and the personal obligation of such Owner in the same manner and with the same priority and effect as assessments under Section 6. The lien shall attach as of the date of imposition of the remedy but shall not be final as to violations for which a hearing is held until the Board gives written notice following the hearing. All remedies shall be cumulative, and the exercise of, or failure to exercise, any remedy shall not be deemed a waiver of the right to pursue any others.

14.5 Cost of Proceeding and Attorney Fees. With respect to any collection measures, or any measures or action, legal, administrative, or otherwise, which the Association takes to enforce the provisions of the Act, Governing Documents or Rules and Regulations, whether or not finally determined by a court or arbitrator, the Association may assess the violator and his or her Unit with any expenses incurred in connection with such enforcement, including without limitation fines or charges previously imposed by the Association, reasonable attorneys' fees, and interest (at the highest rate allowed by law) on the delinquent amounts owed to the Association.

14.6 Liability for Owner's and Occupants' Acts. An Owner shall be liable for the expense of any maintenance, repair or replacement of the Property rendered necessary by such Owner's acts or omissions, or by that of Occupants or guests in the Owner's Unit, to the extent that such expense is not covered by the proceeds of insurance carried by the Association or such Owner or Occupant. However, any insurance deductible amount and/or increase in insurance rates, resulting from the Owner's acts or omissions may be assessed against the Owner responsible for the condition and against his or her Unit.

14.7 Enforcement by Owners. The provisions of this Section shall not limit or impair the independent rights of other Owners to enforce the provisions of the Governing Documents, the Rules and Regulations, and the Act as provided therein.

SECTION 15

3.1 Entitlement. Votes shall be allocated to each Unit as provided in the Declaration. However, no vote shall be exercised as to a Unit while the Unit is owned by the Association.

- d. Approval by written ballot under this Section is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

3.5 Vote Required. A majority of the votes cast at any properly constituted meeting of the Owners, or cast by mail in accordance with Section 3.4, shall decide all matters properly brought before the Owners, except where a different vote is specifically required by the Governing Documents or the Act. SECTION 8 **OPERATION OF THE PROPERTY**

8.1 Assessment Procedures. The first Board of Directors shall annually prepare a budget of Common Expenses for the Association, but may elect not to levy a Common Expense assessment for up to 60 days

after the conveyance of the first Unit, in which case Declarant shall pay all expenses of the condominium until the first assessment is levied. Following the expiration of the terms of the members of the first Board of Directors, the Board of Directors shall annually prepare a budget of Common Expenses for the Association and assess such Common Expenses against the Units according to their respective Common Expense liability as set forth in the Declaration.

- a. All Owners shall be absolutely and unconditionally obligated to pay the assessments. No Owner or Occupant shall have any right of withholding, offset or deduction against the Association with respect to any assessments, or related late charges or costs of collection, regardless of any claims alleged against the Association or its officers or directors. Any rights or claims alleged by an Owner may be pursued only by separate action.

8.3 Default in Payment of Assessments. If any Owner does not make payment on or before the date when any assessment or installment thereof is due, subject to such grace periods as may be established, the Board of Directors may assess, and such Owner shall be obligated to pay, a late charge as provided in the Declaration for each such unpaid assessment or installment thereof, together with all expenses, including reasonable attorneys' fees, incurred by the Board in collecting any such unpaid assessment.

- a. If there is a default of more than thirty (30) days in payment of any assessment, the Board of Directors may accelerate any remaining installments of the assessment upon prior written notice thereof to the Owner, and the entire unpaid balance of the assessment and late charges shall become due and payable upon the date stated in the notice unless all past due amounts, including late charges, costs of collection and fines, are paid prior to said date.

- b. The Board of Directors shall have the right and duty to attempt to recover all assessments for Common Expenses, together with any charges, attorneys fees or expenses relating to the collection thereof.
- c. Upon written request of an Owner or an Eligible Mortgagee of such Unit, notice of a default of more than thirty (30) days in payment of any assessment or installment of an assessment for Common Expenses or any other default in the performance of obligations by the Owner shall be given in writing to such Eligible Mortgagee.
- d. The rights and remedies to herein shall in no way limit the remedies available to the Association under the Declaration or by law.
